

Kevin Klausmeyer

BOARD MEMBER

Kevin was previously on the board of Hortonworks prior to its merger with Cloudera. He has also served on the boards of Callidus Software (acquired by SAP), Sourcefire (acquired by Cisco), and Quest Software (acquired by Dell). Prior to that, he was chief financial officer at The Planet, a hosting and cloud-based solutions company (acquired by Softlayer Technologies, which was subsequently acquired by IBM). Kevin currently serves on the boards or advisory boards of several privately held companies. He holds a bachelor's degree in business administration in accounting from the University of Texas.
